In order for goods to qualify for the reduced Customs duties under the North American Free Trade Agreement, a Certificate of Origin is required. Customs allow an abbreviated version to be used for low value commercial shipments (less than \$2500.00 CAD). We have noted that many US Vendors either print this short form on their invoice or rubber stamp it on the invoice when required. The format of the certificate is below.

NORTH AMERICAN FREE TRADE AGREEMENT (NAFTA)

CERTIFICATE OF ORIGIN

LOW VALUE SHIPMENT (INFORMAL ENTRY)

"I certify that the goods referenced in this invoice/sales contract originate under the rules of origin specified for these goods in the North American Free Trade Agreement (NAFTA), and that further Production or any other operation outside the territories of the Parties has not occurred subsequent to production in the territories."
